TO: Our Crab Shack and Washout Family
RE: Still serving our community, our guest and our team
DATE: March 17, 2020

The health and safety of our guests and team members is of paramount importance and we will do everything within our power to ensure this standard is not compromised. We feel confident that the procedures we have implemented over the past weeks are sufficient to protect both guest and team members. To that end, we have decided that effective Wednesday, March 18, 2020, we will be offering an abbreviated service for curbside pick-up and take-out orders. The hours of operation are listed below. We will resume normal operations the moment the state of South Carolina lifts the dine-in restaurant restrictions.

You are the most important part of our business and are always the primary consideration when we have to make difficult decisions. This situation is both unexpected and unprecedented, but we are all in this together. Our mission is to provide world famous food, service and smiles in a friendly, fun, and casual environment. It is our passion to build relationships, surpass expectations, and create memories. Together, we will turn this into an opportunity to better serve our community, our team and each other. Stay safe and may God bless,

Dan, Ryan, Ron, David, Steven and Greg
